Headteacher: Mr M Thompson Chair of Governors': Mrs J Dudley

HEADTEACHER'S UPDATE – Monday 30th September 2016

Dear Parents,

Nursery

This week the children in Nursery have been in class full time. Miss Harvey, Mrs Singh and Miss Preston have thoroughly enjoyed welcoming them to Brentnall and getting them into the daily routines. As you can see in the photograph our exciting adventure trail is very popular!

Bounce at Brentnall

Recently we have been trialing a 'Boogie Bounce' session on a Friday after school with a number of parents and children. The aim of the club is to promote healthy lifestyle choices whilst parents and children spend quality time together enjoying Boogie Bounce which is a fab, fun and funky exercise programme on a mini trampoline with a safety bar that is choreographed to chart topping inspiring music. We are hoping to run these sessions next half term. If you are interested please leave your name at the School Office.

Parents' Evenings – Monday 10th and Tuesday 11th October

This year we would like to make our parents' evenings a community event where parents can enjoy refreshments whilst having the opportunity to find out more about our school app, high school applications and visit our book fair and uniform stalls. I look forward to seeing you across these evenings.

Macmillan Coffee Event

By the time you receive this update, our Macmillan's World Biggest Coffee event will be underway. I hope that everyone enjoys the delicious cakes that have been donated and we will update you next week on the amount raised.

Kind regards,

Mr. M Thompson
Headteacher
