Dear Parents,

## **Parent Governor Vacancies**

There are vacancies on The Governing Board of our school for 2 parent governors. The elected candidates will sit on the board of governors for the next 4 years. Any parent with a child on the register of this school (including the nursery) may stand as a candidate.

More information about what is involved in the role can be found on the attached sheet.

As a governing board, we work hard to move the school forward. We are aware that a wide range of skills are required to do this effectively. Following a recent audit of the current skillset we found that financial management was an area where we had less experience. It is therefore a preference of The Governing Board to recruit someone with a particular interest or experience in this area.

If you wish to serve on The Governing Board as a parent representative, or would like to nominate a candidate, please complete and return the attached nomination form. Nomination forms should be returned to Mrs. Platt no later than noon on Monday 19<sup>th</sup> September 2017. No nominations may be made after this date.

If the governors receive more than one nomination, all parents will be invited to elect their representative by ballot.

Kind regards,

Mr. M Thompson  
Headteacher
