September 18th 2018

Dear Resident,

Re: Northumberland Street /Bury New Road Junction Improvement

I am writing to inform you that Galliford Try has been appointed by Urban Vision to carry out the work for the above project.

As part of our commitment to achieving the highest possible standards of operational excellence, we will be monitoring every stage of the project to ensure that our work does not cause undue disturbance, inconvenience or stress.

For your information:

The work at the junction will include traffic signals upgrade, footpath renewal, drainage and road resurfacing. The work will help reduce the severance Bury New Road creates to those communities that area adjacent to the Bury New Road/ Northumberland Street junction by improving the pedestrian crossings

Work will commence 29th September 2018 and will take approximately 6 months to complete.

Normal Working hours: **Mon-Fri 07:30 -17:30**

During this time, we will endeavour to keep you informed of progress on a regular basis via our scheme notice board located on site. We will also provide prior notice via notification letter of any scheduled work that may affect you including night shift work for road resurfacing when required.

We would like to take this opportunity in advance to apologise for any inconvenience which may be caused during the construction of the above scheme.

Should you have any comments, suggestions or queries please feel free to contact me by telephoning 07918 640481 or emailing me on gino.salvatore@gallifordtry.co.uk

Yours faithfully

Gino Salvatore
