

# Year 1

## Autumn Term

Welcome to Year 1. We are really pleased that the children have all come back ready and very eager to learn.

### This half term Year 1 will be learning about some exciting topics...

In English we are learning about two stories The Little Red Hen and Croc and Bird. We will be making predictions, asking questions and writing labels and sentences. These stories will also link into our Science work.

In Maths we will be learning about the following:

- ✚ Place value
- ✚ Multiplying by 2, 5 and 10
- ✚ Division
- ✚ Addition and subtraction
- ✚ shape

In Geography we will be learning all about Our Local Area. We will be looking at different places and buildings in the local area and finding out where we all live.

In Art we will be working in the style of Andy Goldsworthy and using nature to inspire our work.

## Science

In Science our topic will be 'Ourselves and Animals'.

### Helping at home:

Please listen to your child read their home reading book **every night** and write a small comment in their reading records. It is important to question your child's understanding of what they have read. We will change your child's book every Monday.

Can we please ask that you help your child to complete all homework set. Each week children will be given spellings and a maths task related to the work in class that week. The spellings will be lined to their work in phonics that week.

- **Reminders**
- PE lessons are every **Monday and Friday for this half term.**
- Please ensure that your child has their PE kit in school.
- Homework will be sent home on a **Friday** and needs to be returned the following **Wednesday.**
- Home reading books will be changed each **Monday.** Children need to bring their reading books to school every day as they may be heard read throughout the week.
