

Year 1

Science

In Science our topic is Plants . We have planted some broad bean seeds and they are observing how they grow. We are visiting Bents Garden Centre on Thursday 6th June 2019.

We have enjoyed our topics in Cycle 3 and have had lots of fun with our learning. We especially enjoyed learning about the Seasons and different types of weather.

In this Cycle Year 1 will be learning about some new exciting topics...

In English we will be learning about the story of Grandad's island and we are going to write our own versions. We will also write a recount of our visit to the seaside later this term.

In Maths we will be learning about the following:

- ✚ Place value
- ✚ Addition
- ✚ Subtraction
- ✚ Multiplication
- ✚ Division
- ✚ Shape and measures
- ✚ Time
- ✚ Fractions

Phonics Screening.

In June all the children in Year 1 will take the phonics screening check. The children have all been working very hard class towards this. Please help practise at home too.

In History we are learning all about the Seaside in the past. We will be looking at how the seaside has changed and we are hoping to visit a local seaside later this term.

In Design and Technology we are designing and making our own shells using clay. We will also get to paint our shells too!

Helping at home:

Phonics screening is the week beginning 10th June 2019. Please complete the homework set.

Please listen to your child **read their home reading book every night** and write a small comment in their reading records. It is important to question your child's understanding of what they have read.

Books will be changed on a Monday and Tuesday.

Reminders

- PE lessons are on a **Monday and Friday** .
- Please ensure that your child has their PE kit in school each week.
- Homework will be issued on a **Friday** to be returned the following **Wednesday**.
- Home reading books will be changed each **Monday and Tuesday**. Children need to bring their reading books to school every day as they will be heard read throughout the week.
