Coronavirus (COVID-19) Update - 4

Dear Parents and Carers,

Following on from my letter yesterday, I would like to provide a further update on school's plans during the school closure.

As advised by the government, we will do all we can to stay open for the children of key workers (e.g. NHS staff, police, others in the frontline services) and children with certain needs. We anticipate that this will include the Easter holidays but this **has yet to be confirmed**.

If you believe that you are a key worker and have not yet been in contact with school, please do so immediately before the end of the school day today.

As of Monday next week:

- All children should remain at home, please note that there will be no absence penalty for keeping your child at home
- Work packs have been sent home and further work will be sent via email
- We will not be able to offer the service of marking and feedback at this present time. Therefore, you should make time to go through the work with your child when they complete it and offer comments and suggestions for improvement as soon as possible
- With this increased isolation, this will be an excellent way of spending quality time with your child and will have the maximum educational benefits for their learning and progress. The best feedback is always given soon after a task is completed and is positive in nature
- Please use the websites and apps section of our school's website found under the information tab
- Below is a suggested timetable for all parents to utilise, we will also be following this for those children in school.

8.30-9.00	Breakfast	cereal/milk/juice/toast

Kind regards
