Teacher's Message

A huge welcome back to school. It is a very exciting year as we enter Year 6 together.

I am so lucky to have another year with this class seen as our last year together got cut short. Although some things are different, we are very much looking forward to the exciting year ahead. We will pick up the new rules and routines very quickly and soon they will begin to feel normal.

It is completely normal for the children to have concerns or worries coming back to school therefore a lot of this half term will be focused on wellbeing and reconnecting with the school life.

I can't wait to share the last year of primary school with you all. We are going to have a blast!

Important Diary Dates

Thursday 24th September – Virtual BE INTERNET LEGENDS assembly.

Monday 28th September- Virtual Money Sense Workshop with NatWest

Home Learning

Your child will receive a reading book on a Monday and this must be returned ONLY on a Thursday – this is to ensure that books are safely taken home/ returned to school, whilst reducing the risk of Covid-19 spread. On the class page, Maths booklets have been uploaded to be completed throughout the Autumn term. These are designed to be completed little and often.
