Teacher's Message

Welcome back to school! Well done for all the amazing pictures of the work you have completed as part of your home learning, it has been great to see you working so hard.

We are now in our second term of Year 6 and what a great start so far! We have had a practise of some SAT tests and the children have gained a really great positive attitude towards them which has resulted in some excellent scores this early in the year so a huge well done to all children!

We have been really proud of how well they have adapted to the new school rules and how resilient they have been with it all. Keep it up guys!

We are returning school books back to school on a Thursday when they have finished the book and will be sending out a new book on Monday along with their spelling lists.

Let's have a fun and safe run up to Christmas! We've got this Year 6!

Important Diary Dates

Keep your eye out for any virtual open days coming up at the schools you have applied for.

Home Learning

Your child will receive a reading book on a Monday and this must be returned ONLY on a Thursday – this is to ensure that books are safely taken home/ returned to school, whilst reducing the risk of Covid-19 spread. Maths booklets for Autumn 2 are uploaded on to the class page.
