

# Year 1 Curriculum Overview – Spring 2

## Maths

During the Spring 2 term, children will study the following topics:

- Measurement: Length and Height
- Measurement: Weight and Volume

## English

In addition to daily Phonics lessons, children will study:

'Croc and Bird' by Alexis Deacon.

## Science

Plants – The children will study a variety of plants, learning about their structure and how they grow.

## History

Toys – Year 1 will learn all about different toys from the past and what some of their grandparents may have played with when they were children.

## DT

Pirate Paddy's Packed Lunch Problem – Children will develop their understanding of structures through designing and creating their own lunch boxes.

## RE

Christianity

*Who is a Christian and what do they believe?*

## Music

Exploring Rhythm – Differentiating between rhythm and pulse.

## PSHE / HRE

Stop the Spread – The children will learn about how to keep themselves and others safe and healthy.

Healthy isn't a Goal, it's a Lifestyle – Year 1 will study how to make healthy choices throughout their life.

## Computing

Word Processing Skills – Children will learn how to type digitally using a word processor.

## PE

Intro to net and wall – Sports coach

Gymnastics – Class Teacher

### Teacher's Message

Welcome back to school for Spring Term 2! We have a very exciting term ahead of us...

We hope that you enjoyed the half term break and the children are looking forward to learning again in school. We are so proud of the children for how well they have adapted to home learning and for trying their best in all that they do. Thank you so much for supporting the children with their home learning over the past few months, it is very much appreciated and it has been lovely to hear how well they have been getting on.

This term we look forward to the exciting topics we shall be studying and for the children to be able to continue building rewarding friendships with one another.

I am sure that the children will keep up their fantastic work this term. If you have any questions regarding your child's learning, please feel free to get in touch and I will be happy to help.

### Home Learning

Your child will receive a reading book on a Monday and this must be returned ONLY on a Thursday – this is to ensure that books are safely taken home/ returned to school, whilst reducing the risk of Covid-19 spread.

#### Homework

- White Rose Maths booklets – To be uploaded to the class page half termly.
- PiXL Times Table App – See guidance on school website.
- Spellings – Given out every Monday.
