Teacher's Message

I hope you all had a lovely holiday and stayed safe and well.

It was lovely to welcome the children back into school again last half term and they all settled back in really well. They worked very hard last half term and should be very proud of themselves. I am looking forward to the next half term.

We have some exciting new topics so I know everyone will continue to try hard once again and continue to have fun with their learning.

Our priority once more is to continue to ensure that everyone continues to feel safe, happy and ready for learning.

Kind regards

Mrs Knowles
