

## Geography Long Term Plan

Key Stage 1				
<b>National Curriculum</b>	<p><b>Locational Knowledge</b></p> <ul style="list-style-type: none"> <li>Name and locate the world's seven continents and five oceans</li> <li>Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas</li> </ul> <p><b>Place Knowledge</b></p> <ul style="list-style-type: none"> <li>Understand geographical similarities and differences through studying the human and physical geography of a small area of the UK, and of a small area in a contrasting non-European country</li> </ul> <p><b>Human and Physical Geography</b></p> <ul style="list-style-type: none"> <li>Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles</li> <li>Use basic geographical vocabulary to refer to:                             <ul style="list-style-type: none"> <li>Key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather</li> <li>Key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop</li> </ul> </li> </ul> <p><b>Geographical skills and fieldwork</b></p> <ul style="list-style-type: none"> <li>Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage</li> <li>Use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map</li> <li>Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key</li> <li>Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.</li> </ul>			
	<b>Autumn</b>	<b>Spring</b>	<b>Summer</b>	
	<b>Year 1</b>	Our School	Wonderful Weather	Our Country
	<b>Year 2</b>	Beside the Seaside	Sensational Safari	Magical Mapping

## Geography Long Term Plan

Lower Key Stage 2			
National Curriculum	<p><b>Locational Knowledge</b></p> <ul style="list-style-type: none"> <li>Locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities</li> <li>Name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time</li> <li>Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night)</li> </ul> <p><b>Place Knowledge</b></p> <ul style="list-style-type: none"> <li>Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North or South America</li> </ul> <p><b>Human and Physical Geography</b></p> <ul style="list-style-type: none"> <li>Describe and understand key aspects of:                             <ul style="list-style-type: none"> <li>Physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle</li> <li>Human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water</li> </ul> </li> </ul> <p><b>Geographical skills and fieldwork</b></p> <ul style="list-style-type: none"> <li>Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied</li> <li>Use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world</li> <li>Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.</li> </ul>		
	<b>Autumn</b>	<b>Spring</b>	<b>Summer</b>
<b>Year 3</b>	Extreme Earth	Rainforests	The UK
<b>Year 4</b>	What's It Like in Salford?	All Around the World	Water

## Geography Long Term Plan

### Upper Key Stage 2

#### National Curriculum

##### Locational Knowledge

- Locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities
- Name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time
- Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night)

##### Place Knowledge

- Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North or South America

##### Human and Physical Geography

- Describe and understand key aspects of:
  - Physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle
  - Human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water

##### Geographical skills and fieldwork

- Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied
- Use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world
- Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.

We Learn, We Respect, We Succeed!

## Geography Long Term Plan

	Autumn	Spring	Summer
Year 5	Exploring Eastern Europe	Magnificent Mountains	Marvellous Maps
Year 6	Raging Rivers	The Amazing Americas	Our Changing World

We Learn, We Respect, We Succeed!

## Geography Long Term Plan

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<b>EYFS</b>						
<b>1</b>	London and the UK		Seven Continents		Oceans and Seas	
<b>2</b>	Villages, Towns and Cities		Understanding Brazil			
<b>3</b>	Mountains, Volcanoes and Earthquakes/ Building Locational Knowledge: Europe		Water, Weather and Climate/ Building Locational Knowledge: North America		Rivers/ Building Locational Knowledge: United Kingdom	
<b>4</b>	Migration/ Building Locational Knowledge: Hemispheres and Tropics		Natural Resources/ Building Locational Knowledge: South America			
<b>5</b>	Local Fieldwork		Biomes		Energy and Sustainability	
<b>6</b>	Population		Globalisation
