### **NURSERY CLOSURE – week beginning 10<sup>th</sup> January 2022**

Dear Parents,

It is with much regret that we have had to close nursery today up to and including Monday 17<sup>th</sup> January. We will re-open Nursery on Tuesday 18<sup>th</sup> January, this decision has been made due to staffing shortages linked to COVID-19. Unfortunately, we have been unable to secure supply staff from agencies as they are overwhelmed with the demand for supply staff from other schools.

At present, there is no need for children to go for a PCR test unless they start to display any symptoms. We will keep you informed of any changes. Please see the 'close contact' letter on the school website.

Remote learning for children in early years is difficult due to the nature of how they learn in school however activity ideas with any appropriate resources will be shared via email each day.

We apologise for the inconvenience of the class being closed and understand the impact this has on the children's learning. I can assure you that this decision has not been taken lightly, therefore we will continue to review staffing each day as our aim is to re-open the class as soon as possible. We will update you if anything changes.

Yours sincerely,

Mr. Thompson  
**Headteacher**
